

Hello Everyone,

Formal registration for Players and Volunteers for the Miracle League of Southwestern PA is now open.

If you signed up to be a volunteer before, we need you to do it formally now via the link and instruction below. The reason for this is that there are releases that you need to approve to be able to volunteer. You will be able to select your volunteer position. If you want to be a Buddy, please consider signing up to be a Buddy Team Leader. We are looking to assign two Buddy Team Leaders per team to coordinate the Buddies for that team.

After registering formally to be a volunteer or player, the next most important thing you can do for the Miracle League is to get more people involved. Getting this information to the players who can benefit from the program or others who can volunteer to support the Miracle League is our number one priority. The season will begin in May 2009 and will be here before we know it. We don't know how big the Miracle League will be.

If you have any questions or problems with registration please contact me at argyros@zbzoom.net or on my cell 724-316-9731.
