

Scavenger Hunts

This is fun event that goes with the theme of “ In search of Community Treasure” pattern off our CTCC Annual Report and our Treasure Hunt. Starting June 3, we will start our Community Treasure Hunt, giving 3 or 4 lines of clues in the Cranberry Eagle twice a week. Only one person will win this event and we hope to have some grand prizes worth of this event.

Starting after our CTCC Annual Report is delivered by mail to every home/business in Seven Fields and Cranberry Twp, we will start our first Scavenger Hunt for our Nonprofit and Civic Groups. After this we hope to release a new Scavenger Hunt based on you as a sponsor.

How will it work? Starting at \$125 (\$25 going to a prize), we will include your store or product or web site as part of the Scavenger Hunt. Each Scavenger Hunt clues will be displayed on our web site for the person to print out and complete. It may have 10 to 20 clues and a mixtures of business and community related questions. Each participant must complete the form, and then we will have them put the forms in a barrel that we will have on Community Days July 11th. We will draw a form at random for each Scavenger Hunt and if correct award a very nice prize to the winner. We hope to offer many Scavenger Hunts but it depends on how many sponsors we get.

How can it work? We will work with you to get a good clue about your store. Do you want foot traffic then a question like “ What is the color of floor tile in the music department?”, a specific product? What does a RCA 50” LCD Model XYZ005 cost? Or maybe visit your web site? It can be a lot of fun, you get a lot of attention and you help out our community. How can it get better than this?

I want a Scavenger Hunt all to myself! You can have a dedicate Scavenger Hunt that will be solely dedicated to you. You come up with the questions, we will add some community questions, and you come up with the prize. Remember the bigger the prize the more people who will be interested in participating in your hunt...so make it a great one. These dedicated “Hunts” will start at \$500 and it will be well worth the attention you get!

We will release the Scavenger Hunts throughout a three week period one or two “Hunts” at a time. We want residents and potential customers coming back to our web site to get more and more information. Any questions email brucemazzoni@zoominternet.net
