Arrival/Departure Time: We'd like for you to arrive at 10:30 AM and be completely set up by 11:00 AM. We will host the fair from 11:00 AM through 1:00 PM during student lunches.

▪
Sign-in Procedure: Park in the lot between the Intermediate High School and the Middle School (see map). Enter the double doors on the right (as you face the building). A student will greet and escort you to the Intermediate High School gymnasium.

What to Expect: The students attending the fair will all be in ninth or tenth grade, so they will be ages 14-16. We have approximately 1,100 students divided into three lunch periods, which is when the fair will be held. We estimate that of the 350 students possible during each lunch, you may see half of them in the gymnasium during a lunch period.

What to Provide: At the fair, each organization will be given a table, and we will provide a sign with the name of your organization on it. Please bring any decorations or exhibits you want to display. Unfortunately, we will not be able to provide electricity, but we would suggest bringing a display board of some sort that advertises the opportunities to volunteer. Please bring any pamphlets a volunteer would need and/or any potential paper work a student would need to sign up to volunteer with your organization.

Interacting with Students: We will be giving each organization a supply of raffle tickets. When students visit your display, we ask that you hand out raffle tickets following your conversations with them.

Raffle: We are organizing a raffle to promote student attendance. We will be supplying tickets for the raffle, as well as prizes; however, any donations would be appreciated (t-shirts, pens, mugs, etc).
